

Vital Statistics Copy Request

Note: Sometimes the index may point to a newspaper for which we no longer have the microfilm. From the efforts of countless volunteer indexers over many years, we strive to supply Montgomery County information at a reasonable price to researchers around the world. Since the time when our various newspaper indexes were compiled, some films and print items are no longer available. We are unable to check all listings to verify which ones are unavailable. We understand your disappointment when this occurs, and we are making efforts to replace missing newspapers. Unfortunately, we are unable to make refunds. If we can't supply the information requested, you may apply excess money to future requests.

\$2.00 a listing with a maximum of 5 listings (these copies come from microfilm.) Please do not send multiple requests. Allow us to fill one set before you send another.
